

Earning a CGS in Teaching & Learning at USM Why Professional Certification?

UNIVERSITY OF
SOUTHERN MAINE

PORTLAND • GORHAM • LEWISTON • ONLINE

KIEVE WAVUS
EDUCATION

This CGS provides the required coursework toward your Maine Professional Teaching License

Strengthen your qualifications and job opportunities in Maine's public schools

Earning your professional certification in Maine positions you strongly for reciprocal certification in other states, opening doors nationwide

TLS Teaching Fellows receive tuition-free coursework toward professional certification through their exclusive partnership with USM

Easily take your professional license with you, providing career options beyond Maine.

Classes address Maine teacher standards and immediate classroom needs:

- Diversity
- Human Development
- Exceptionalities

Benefit from personalized academic advising and support from USM faculty

A concise 18 credit program designed specifically to meet certification needs for all grade levels

Completed graduate-level coursework with a professional certification guarantees higher pay rates on district pay scales
